

14 June 2022

**He māramatanga tō tēnei whetū,
he māramatanga anō tō tērā whetū.**
Each star has its own light or presence in the sky.
Everyone is their own person.

As we approach Matariki and the cluster of 9 stars (known in English as Pleiades) rise in our winter night sky, it signals the beginning of the Māori New Year. This is a time to celebrate new life, remember those who have passed during the past year and provides us with an opportunity to plan for the future. Kia pai tou tātou Matariki! (Happy Matariki, everyone!)

It gives me great pleasure to share with you that Maurea Consulting have been engaged to assist in the interpretation and translation of our principles, focus areas and outcomes and impacts. It is anticipated that this will be shared at the Reference Group Meeting on the 29th of June 2022 and then again in our July 2022 communication.

Please see below an updated Reference Group List and our draft agenda. I am so looking forward to connecting with many of you in person.

Mālō 'aupito, Ngā mihi mahana, Warm thanks

Jo
